

SUSTAINABILITY POLICY

As Qinn Hotels, while providing service focused on guest satisfaction, we adopt a management approach that aims to protect the environment and biodiversity with which we interact without harming it, to ensure cultural integrity, to meet the economic and social needs of the society in the region where we operate, and to continuously improve all these processes.

With this understanding, our main goal is to minimize the negative effects, if any, of all our activities on society and the environment, to contribute to the local economy, the protection of natural and cultural heritage, to increase the quality of life of local people and visitors, and to act in accordance with fundamental human rights.

We take all necessary measures to increase local employment, protect and enrich the ecosystem in the region where we operate, and share all our activities with our stakeholders.

We fully comply with legal processes in all our activities and take responsibility for our work within the framework of our corporate values of reliability, justice, transparency, respect and unity.
